

Maristhill Marketplace a Grand Success!

WALTHAM, MA - (September 29, 2017) **Maristhill Nursing & Rehabilitation Center**, a non-profit provider of rehabilitative services, short-term and long-term care located in Waltham, Massachusetts, recently announced that their 9th Annual Fall Marketplace, which took place on Friday, September 22nd and 23rd, was once again a grand success!

As in previous years, the Marketplace fundraiser included a raffle and also offered a wide-range of collectibles for sale.

"The Marketplace is one of our most anticipated events," said **Bill Driscoll**, Activities Director. "And this year was another great one! Residents, families,

and friends enjoyed the community interaction and camaraderie that this annual fundraiser generates. The proceeds go to the Resident Council fund, which sponsors special events, programs and outings throughout the year for all of our residents."

This year's Marketplace generated over \$9000 for the Resident Activity Fund. There were over 400 people who came to support the Maristhill residents by purchasing gifts and Marketplace items. Many people made cash donations and took chances for raffle prizes, and the Grand Prize Raffle winner of \$1,000 donated \$500 back to the residents – "A very nice gesture," Driscoll said.

Originally founded in 1969 by the Marist Missionary Sisters, Maristhill is a licensed skilled-nursing and rehabilitation center with a highly-recognized performance record for clinical excellence and quality care. People of all faiths and denominations are welcome at the 100-bed facility, which is a member of **Covenant Health Systems**, a Catholic health care system sponsoring hospitals, nursing homes, assisted living residences and other health and elder services throughout New England.
