

Newsletter – September 2010

Dear Residents, Families, and Staff:

We are gearing up for our 40th Anniversary Celebration, which includes a dinner at the Westin Waltham Hotel on Sunday, September 26th. We hope many of our friends and family will be able to join us for this special event, during which we will honor the Marist Sisters and the Grey Nuns for the foundations they laid many years ago, enabling us to continue our mission today.

In October, we are planning to hold a special Mass commemorating our 40th year of service as a Catholic health care facility. Everyone will be welcome to attend, and we hope to provide handicapped accessibility so any resident who is interested would also be able to join us. Stay tuned for the date and location!

The fall brings our annual “Marketplace”, which is the major fundraiser for the Resident Council Fund, supporting resident outings and special events. Our Activities Staff is already busy trying to find storage for all the great donations coming in to support this event. Shop early and often!

The renovations to the rehabilitation suite are nearly complete, and we hope to move the rehabilitation staff into their new offices during the first week of the month. By the end of the month, they will be up and running in their newly refurbished space and our A floor living room area will be ready for the return of the card players and football games!

As the fall elections draw near, we will be assisting our residents with absentee ballots. As you ponder your choices, please consider appropriate funding for senior care as a priority and let your representatives know how important quality care is for you and your loved ones. As most of you know, we are heavily dependent on Medicare and MassHealth for the majority of our reimbursement. We appreciate your support at the polls!

*Sincerely,
Carolyn Fenn, Administrator*
