FOR IMMEDIATE RELEASE

Maristhill Nursing & Rehabilitation Center Promotes New Director of Staff Development & Infection Control

WALTHAM, MA – (January 24, 2008) **Maristhill Nursing & Rehabilitation Center**, a non-profit provider of rehabilitative services, short-term and long-term care located in Waltham Massachusetts, recently announced that **Luanne Deagle** of Newton has been promoted to Director of Staff Development and Infection Control.

Ms. Deagle began her career at Maristhill in 2001 as a charge nurse, and also held the positions of Nurse Manager and Supervisor. In her new role, she will oversee staff development functions ensuring proper skill levels and proficiency of all staff as well as compliance with all Infection Control Policies at Maristhill.

A graduate of Massachusetts Bay Community College, Ms. Deagle is a Registered Nurse (RN). Her extensive experience as a geriatric nurse and her exceptional communication skills made her a natural choice for the new position.

“We are pleased and excited about Luanne’s new responsibilities as Director of Staff Development and Infection Control,” said **Carolyn Fenn**, Maristhill’s Administrator. “Her career here has been exemplary and Luanne is known for her caring attitude and her dedicated commitment to the residents of Maristhill.”

Originally founded in 1969 by the Marist Missionary Sisters, Maristhill is a licensed skilled-nursing and rehabilitation center with a highly-recognized performance record for clinical excellence and quality care. People of all faiths and denominations are welcomed at the 123-bed facility, which is a member of **Covenant Health Systems**, a Catholic health care system sponsoring hospitals, nursing homes, assisted living residences and other health and elder services throughout New England.

For additional information please contact Ms. Carolyn Fenn, Administrator, at (781) 893-0240 or visit www.maristhill.org.
